Our dear Motivational Ministries family,

Is it because I woke up feeling so good this morning? Is it because I had my favorite coffee this morning? Is it because I am still going strong at 76 years old? Or it's all because of Jesus? I am going with Jesus and His love and favor on our lives! Greetings to you from the great state of Georgia and the beautiful city of LaGrange. Jay and I had breakfast the other day at one of our favorite places, Waffle House. While enjoying our delicious food and coffee Jay began to share with me the schedule. I knew we were set to travel to Mexico through May and I am overly excited about these opportunities of ministry. Then he dropped "The Bomb"! We are tentatively scheduled all the way into 2025. Can you say amen?

My heart jumps for joy for the trust God has placed upon us for Latin America, particularly Mexico. Also in our conversation Jay mentioned the countries of Cuba, Guatemala, Honduras, Dominican Republic, Bolivia, and other nations. I cannot comprehend the work that is out there for the singing and preaching of the gospel, calling men, women, boys, and girls to the saving grace of Jesus Christ. Please, rejoice with us! Every time you place an offering in an envelope or go online with an offering for Motivational Ministries you are aligning yourself with us to win "1 more soul" for Christ".

I have had the joy of serving Christ for 45 years. We are now in our 43rd year of ministry, 16 years as a pastor and 27 years as an evangelist. I would love to preach this gospel as an evangelist until I am 80. I have the greatest associate ever to be in ministry with me. Jay loves the Lord like no other and he is committed to get this gospel out to a lost and dying world. He protects me and takes care of this old evangelist on the mission field. He has promised if I get to a place where my mobility is challenged, he will put me in a wheelchair, take me through the airports and get us both to our destination. You can't ask for any more than that.

We trust our lives to the Lord. We trust you to remain faithful in your support through prayer and giving. You put us in rental cars, airplanes, motel rooms, and restaurants. Because of you, we can take finances off of our minds and concentrate on the mission that lies in front of us. Mission trip 105 is in the books and mission trip 106 is waiting for us in Campeche, Mexico. God bless you. We count you as our dear friends and partners in this great journey and we ask the Lord to bless you and keep you strong for the day in which we live.

In His love,

Your servants and His evangelists,

Bro Tom @ Bro Jay
