

# Motivational Ministries

4-1 More SOUL

**Our dear Motivational Ministries family,**

We greet you in the name that is above every name, that is the name of Jesus!

We had such a wonderful mission trip. The coordination was extraordinary. The weather off the Gulf Coast was perfect everyday. The people we met while out ministering were very friendly and receptive to the program we shared with the churches. We thank our coordinators, Pastor Jonathan Tun and his dear wife Estella, for doing such a wonderful job in putting this week together. We ministered seven times in an array of churches, Presbyterian, Pentecostal, Nazarene, in addition to a basketball court in Uayamon, a small town twenty minutes from Campeche. At the end of the week approximately 100 people gave their heart and life to Christ. Can you say amen?

I am writing to you from the hospital in LaGrange which has been my home for 4 days. All is well! I had an upper GI challenge and it took some time getting to the cause of my problem.

Now we are already thinking about Cozumel in March and Merida in April. The work is there and the harvest is ripe in Mexico! Please continue your prayers and support that we may reach one more soul for Him. We praise the Lord for your concern for us in our travels.

Thank you from the bottom of our hearts,

*Brother Tom and Brother Jay*
