# MOTIVATIONAL MINISTRIES

4-1 MORE SOUL

DECEMBER 2023

What happened? **2023** was here and then it's gone! Life is really a 'vapor that appears for just a moment then vanishes away'. Jay and I want to wish you an extraordinary new year. May your health be the best! May the Lord solidify your vision and ministry for the new year. May you complete the tasks that are set before you by His grace and the leadership of the Holy Spirit. God is good all the time and through us He desires to complete His will in the earth. To Jesus be all the glory and praise.

We have seen approximately **9,382** first-time decisions over the last 10 years. We have served in **26** interim churches and completed 105 mission trips:

- MEXICO: **94**
- GUATEMALA: **4**
- ALABAMA: **4**
- GEORGIA: **3**

We realize we repeat these stats to you often but we continue to be amazed at all God has accomplished. The Lord continues to place us in areas that are ripe unto harvest. This year Mexico City and Culiacan have been the high productive ministries. In Mexico City approximately **339** first time decisions were made while in Culiacan there were approximately **311** decisions for Christ. These two mission trips demonstrate the diverse ministries the Lord allows us to be a part of: men and women's prisons, agricultural camps, rehab centers, juvenile homes and churches. We want to give a shout out to Emmanuel Southern Baptist Church in Culiacan, Sinaloa. This one tiny church has a prison ministry, camp ministry, rehab ministry, as well as Sunday School and Sunday services! Every time we go to Culiacan I continue to be amazed that so much work for the Lord can be done with so few people. Blessings to you Pastor Pedro Diaz and all your people for the work you are doing for Christ. The love you have shown us is overwhelming. It is our great joy to labor together with you for one more soul.

Our tradition in December is to ask you for your continued support. We cannot make it to the mission field nor maintain our personal lives without your help. I report to you that our finances have been steady all of **2023**. Post covid, we have seen higher costs in flight tickets, food, and hotels but because of your faithfulness we have overcome inflated prices, We have witnessed the hand of the Lord upon all we are accomplishing on the mission field. Please stay close to us in prayer and please seek the Father in what to give in the year ahead. It's difficult in a newsletter to express how much we appreciate you and how grateful we are for all you do. For the glory of God, Happy New Year!

In His love,

Your evangelists,

*Bro Tom and Bro Jay*
