- Guatemala: **4** mission trips
- Alabama: **4** mission trips
- Georgia: **3** mission trips
- Total mission trips: **107!**
- Total of **27** interim churches in **27** years

We just want to pause and give all the glory to our Savior. Jay and I are so thankful for the goodness of the Lord. Your intercession and giving continue to put us on airplanes and in rental cars to get us to our destinations where we sing and preach the blessed gospel of Jesus Christ. We can't thank you enough for your love and support.

We just completed our last trip to the island of Cozumel, Mexico. Pastor Solomon and his wife, Mariella, continue to be our wonderful coordinators. Pastor Solomon received us on the island during the height of the covid virus. He has become one of our dearest friends in all of Mexico. Because of their work, we are able to visit prisons, rehab homes, nursing homes, parks, as well as local churches. On this trip we ministered in a prison, a rehab home, and six churches. It is our blessing to work across all denominations on the island to reach one more soul for His kingdom. We were well received in every place and God brought about 103 first time decisions for salvation.

In April Jay and I will be in the city of Merida with our associate evangelist, David Roblero. When this trip is complete, we will have been in all three states of the Yucatan Peninsula in 2024: Quintana Roo(Cancun and Cozumel), Campeche(Campeche), and Yucatan(Merida). In June, Jay and his wife, Lisa, will join a team from our local church to do missions in Alaska. Ministry is strong through November, 2024, going into the new year.

We have some great news we want to share in April about the ministry. God is putting a plan in place to carry this ministry forward for many years to come. We can't wait to share this with you!

We love you Christ!

For one more soul,

Bro Tom + Bro Jay
