I am so thankful for my associate, Jay Hernandez. He has been an exceptional friend for 29 years. I love his family. Like me, his calling is that of an evangelist. He and I think alike. It's ALL about one more soul. In our hometown, on the plane, or in Latin America, it's ALL about one more precious soul for the Lord Jesus Christ. We work so well together. Brother Jay is a soloist that God has given an extraordinary voice. Take his voice and his love for souls and you have a devoted servant of God doing exactly what the Lord has called him to do.

Brother Jay handles all the coordination for our mission trips. He works so well with the pastors in country. Time and time again I have witnessed him meeting a new pastor on the field for the very first time. It doesn't take long before they are conversing like they have known each other forever. The ice is broken and we now have a new pastor friend in ministry. Over and over again during the last ten years I have seen this play out. I help raise the support and do the administrative side of the ministry but Jay's important job is to actually get us on the mission field and back in a very timely, safe manner. So, thank you, Jay, for all you do for the Lord and Motivational Ministries. I appreciate you beyond words.

You received the report last month of the awesome mission trip to Mexico City with approximately 339 salvations. Our mission trip to Culiacan, Mexico marked trip 105 for His glory. Approximately 311 men and women prayed to receive Christ as Lord. We praise the Lord for the opportunity to have ministered twice in a prison, nine times in men and women's drug and alcohol rehab homes, and once on an agricultural camp with David Boyter, our Southern Baptist missionary in the area. Our host Church, Emmanuel Southern Baptist Church, allowed us to share the pulpit on the last day of our trip.

We are deeply grateful to have had our friend and coordinator, Efraim Alejo, a devoted pastor from Mexico City join us on this trip. He has an unbelievable testimony for the Lord that he shared in our meetings. Many were moved by what he said and made decisions to follow Christ! Thank you, Pastor Efraim. We love you and your family. We appreciate your stand for Christ in Mexico City. Through your life and your coordination for us, several hundred lives were changed for eternity.

We are taking the month of December and January to celebrate the birth of our Savior and give our expenses a break. Then we are on the move again in February, March, April, and May. For all you do for us in prayer and support we remain deeply grateful. May your Christmas be filled with the joy of the Lord. May you do wondrous things for His glory in the days ahead.

For one more soul,
Merry Christmas,

Brother Tom and Brother Jay
